Comments for us?

organise some events that focus on expanding the network
with industry

Grazie per tutto il lavoro che fate!

I wish to have some support in organizing the workshop for funding
opportunities from the board

Update the board composition in the web page, removing who is no
longer in charge, and including the support team for the newsletter.

Let's have more events!

Please add the newsletter in the resources

More effort by the board to represent AIRJ in institutional events
should be made. I am also referring to the relations with JSPS
